

YOUR CARGO, YOUR RESPONSIBILITY. **TIE IT DOWN.**

Consider the Consequences:

Up to \$500 Fines. Lost Property. Death.

Debris on roads and highways as a result of individuals not properly securing items in their vehicles causes more than 25,000 accidents each year. Help keep Utah's roads safe and clean by taking the time to properly secure items in your vehicle. If you don't, you could lose your property, face up to \$500 in fines, or even kill somebody.
